CCL Industries Acquires German Pharmaceutical Label Business

July 31st, 2023 – CCL Industries Inc. (“the Company”), a world leader in specialty label, security and packaging solutions for global corporations, government institutions, small businesses and consumers, announced today it has acquired privately held Faubel & Co. Nachfolger GmbH (“Faubel”), headquartered in Melsungen, Germany.

Faubel is a specialist in labels for pharmaceutical clinical trials with a manufacturing facility in Melsungen, Germany, and sales offices in the United States and China. Faubel also has a controlling interest in a small technology subsidiary located in Paderborn, Germany, developing next generation solutions for clinical trials including RFID. Consolidated sales for 2022 were \$66.0 million with \$30.7 million adjusted EBITDA. The all cash purchase consideration was \$185.9 million. The business will now trade as CCL Faubel.

Geoffrey T. Martin, President & CEO of CCL Industries Inc., commented, “Clinical trials labeling has long been an important component of our North American Healthcare business. This acquisition adds organizational and operational capacity in Europe to build a global presence in the space. We have known and admired Faubel for more than 15 years and are very pleased to welcome their outstanding team to our Company. It will become an integral part of the global Healthcare & Specialty business led by Lee Pretsell, Group Vice President, who reports to Guenther Birkner, President – Healthcare & Specialty, Food & Beverage and Innovia.”

Forward-looking Statements

This press release contains forward-looking information and forward-looking statements (hereinafter collectively referred to as “forward-looking statements”), as defined under applicable securities laws, that involve a number of risks and uncertainties. Forward-looking statements include all statements that are predictive in nature or depend on future events or conditions. Forward-looking statements are typically identified by the words “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans” or similar expressions. Statements regarding the operations, business, financial condition, priorities, ongoing objectives, strategies and outlook of the Company, other than statements of historical fact, are forward-looking statements. Specifically, this press release contains forward-looking statements regarding CCL Industries Inc.’s plans to build a global presence in labels for pharmaceutical clinical trials.

Forward-looking statements are not guarantees of future performance. They involve known and unknown risks and uncertainties relating to future events and conditions including, but not limited to, the impact of competition; consumer confidence and spending preferences; general economic and geopolitical conditions; currency exchange rates; interest rates and credit availability; technological change; changes in government regulations; risks associated with operating and product hazards; and the Company's ability to attract and retain qualified employees. Do not unduly rely on forward-looking statements as the Company's actual results could differ materially from those anticipated in these forward-looking statements. Forward-looking statements are also based on a number of assumptions, which may prove to be incorrect, including, but not limited to, assumptions about the following: global economic environment and higher consumer spending; improved customer demand for the Company's products; continued historical growth trends, market growth in specific sectors and entering into new sectors; the Company's ability to provide a wide range of products to multinational customers on a global basis; the benefits of the Company's focused strategies and operational approach; the achievement of the Company's plans for improved efficiency and lower costs, including stable aluminum costs; the availability of cash and credit; fluctuations of currency exchange rates; fluctuations in resin prices; the Company's continued relations with its customers; and economic conditions. Should one or more risks materialize or should any assumptions prove incorrect, then actual results could vary materially from those expressed or implied in the forward-looking statements. Further details on key risks can be found in the 2022 Annual Report, Management's Discussion and Analysis, particularly under Section 4: "Risks and Uncertainties." CCL Industries Inc.'s annual and quarterly reports can be found online at www.cclind.com and www.sedar.com or are available upon request.

Except as otherwise indicated, forward-looking statements do not take into account the effect that transactions or non-recurring or other special items announced or occurring after the statements are made may have on the Company's business. Such statements do not, unless otherwise specified by the Company, reflect the impact of dispositions, sales of assets, monetizations, mergers, acquisitions, other business combinations or transactions, asset write-downs or other charges announced or occurring after forward-looking statements are made. The financial impact of these transactions and non-recurring and other special items can be complex and depends on the facts particular to each of them and therefore cannot be described in a meaningful way in advance of knowing specific facts. The forward-looking statements are provided as of the date of this press release and the Company does not assume any obligation to update or revise the forward-looking statements to reflect new events or circumstances, except as required by law.

The financial information presented herein has been prepared on the basis of IFRS for financial statements and is expressed in Canadian dollars unless otherwise stated.
