**CCL INDUSTRIES SIGNS BINDING AGREEMENT TO ACQUIRE  
BANDFIX AG IN SWITZERLAND**

**Toronto, August 5, 2014** – CCL Industries Inc. (“CCL”), a world leader in specialty label and packaging solutions for global corporations, small businesses and consumers, announced today that it has signed a binding agreement to acquire Bandfix AG (“Bandfix”), located near Zurich, Switzerland. Bandfix is a privately owned label company increasingly focused on European Specialty customers with estimated sales for the calendar year of 2014 of \$47.0 million and anticipated adjusted EBITDA of approximately \$3.5 million. The agreed debt and cash free enterprise value is \$18.0 million subject to customary closing adjustments. The transaction is expected to close this quarter subsequent to local regulatory approval.

Geoffrey T. Martin President & CEO of CCL Industries Inc., commented, “Bandfix has a long history in the European label industry and brings to CCL a foothold in Switzerland, home to the headquarters of many important global customers, especially in the Healthcare & Specialty space. We are pleased to welcome Bandfix employees to CCL and have solid plans to invest in Switzerland to develop the business for future growth and improved profitability. The operation will change its trading name post close to CCL Label, Switzerland and report to Guenther Birkner, President of our Food & Beverage business and our senior operating leader in Europe based nearby in Austria.”

CCL Industries employs approximately 10,100 people and operates 97 production facilities in 27 countries on 5 continents with corporate offices in Toronto, Canada, and Framingham, Massachusetts. CCL Label is the world’s largest converter of pressure sensitive and extruded film materials for a wide range of decorative, instructional and functional applications for large global customers in the consumer packaging, healthcare, automotive and consumer durables markets. Extruded plastic tubes, folded instructional leaflets, precision printed & die cut metal components with LED displays and other complementary products and services are sold in parallel to specific end-use markets. Avery is the world’s largest supplier of labels, specialty converted media and software solutions to enable short run digital printing in businesses and homes alongside complementary office products sold through distributors and mass market retailers. CCL Container is a leading producer of impact extruded aluminum aerosol cans and bottles for consumer packaged goods customers in the United States, Canada and Mexico.

This press release contains forward-looking information and forward-looking statements, as defined under applicable securities laws, (hereinafter collectively referred to as “forward-looking statements”) that involve a number of risks and uncertainties. Forward-looking statements include all statements that are predictive in nature or depend on future events or conditions. Forward-looking statements are typically identified by the words “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans” or similar expressions. Statements regarding the operations, business, financial condition, priorities, ongoing objectives, strategies and outlook of the Company, other than statements of historical fact, are forward-looking statements. Specifically, this press release contains forward-looking statements regarding the successful integration of Bandfix into CCL including additional investment in Switzerland; estimated EBITDA improvements; expected integration and transaction expenses and the Company’s expectations regarding general business and economic conditions. Forward-looking statements are not guarantees of future performance. They involve known and unknown risks and uncertainties relating to future events and conditions including, but not limited to, the evolving global financial crisis and its impact on the world economy and capital markets; the impact of competition; consumer confidence and spending preferences; general economic and geopolitical conditions; currency exchange rates; interest rates and credit availability; technological change; changes in government regulations; risks associated with operating and product hazards; and CCL’s ability to attract and retain qualified employees. Do not unduly rely on forward-looking statements as the Company’s actual results could differ materially from those anticipated in these forward-looking statements.

Forward-looking statements are also based on a number of assumptions, which may prove to be incorrect, including, but not limited to, assumptions about the following: global economic recovery and higher consumer spending; improved customer demand for the Company’s products; continued historical growth trends, market growth in specific segments and entering into new segments; the Company’s ability to provide a wide range of products to multinational customers on a global basis; the benefits of the Company’s focused strategies and operational approach; the achievement of the Company’s plans for improved efficiency and lower costs, including stable aluminum costs; the availability of cash and credit; fluctuations of currency exchange rates; the Company’s continued relations with its customers; and general business and economic conditions. Should one or more risks materialize or should any assumptions prove incorrect, then actual results could vary materially from those expressed or implied in the forward-looking statements. Further details on key risks can be found in the 2013 MD&A, particularly under Section 4: “Risks and Uncertainties.” CCL’s annual and quarterly reports can be found online at [www.cclind.com](http://www.cclind.com) and [www.sedar.com](http://www.sedar.com) or are available upon request. Except as otherwise indicated, forward-looking statements do not take into account the effect that transactions or non-recurring or other special items announced or occurring after the statements are made may have on CCL’s business. Such statements do not, unless otherwise specified by the Company, reflect the impact of dispositions, sales of assets, monetizations, mergers, acquisitions, other business combinations or transactions, asset write-downs or other charges announced or occurring after forward-looking statements are made. The financial impact of these transactions and non-recurring and other special items can be complex and depends on the facts particular to each of them and therefore cannot be described in a meaningful way in advance of knowing specific facts. The forward-looking statements are provided as of the date of this press release and the Company does not assume any obligation to update or revise the forward-looking statements to reflect new events or circumstances, except as required by law.
